Nominated or appointed by Frolic in the Woods Committee members, the subcommittee chairpersons should have general qualifications as listed in the requirements section. Specific service or vocational experience should be considered prior to election or appointment. It should clearly be understood that the subcommittees have specific responsibilities to perform.

Subcommittees are vital to the Frolic in the Woods and individuals should expect to be replaced if they are unable to serve for any reason. Naturally, relapse necessitates replacement due to our concern for the member and the service responsibility. Each subcommittee has only one chairperson who then recruits committee members.

Subcommittee meetings operate according to Robert's Rules of Order. This ensures that the meeting runs smoothly and that business is conducted in an orderly fashion. Each subcommittee chairperson should be aware of what responsibility each member has assumed and make sure that every task assigned is carried out.

Subcommittees maintain accurate records of their activities, an inventory, and all correspondence. Financial reports, including needs, expenditures, and receipts are to be included with each subcommittee report. The subcommittees of the Frolic in the Woods Committee work together. Important Points about Alternate Merchandise

On occasion there will be committee representatives from other NA Frolic in the Woods or similar activities (i.e. state, regional, and world) at a Frolic in the Woods. Many times other committees would like to sell items from a previous or upcoming NA event. This should be allowed as long as it does not conflict with regular Frolic in the Woods merchandise sales. Alternate merchandise is usually sold on the last day of the Frolic in the Woods. This not only simplifies the situation for

the sponsoring committee, but also allows Frolic in the Woods the opportunity to purchase items from these committees at one time and in one place.

The sponsoring committee should give some type of advance notification of a committee's intent to be present to sell. This allows the committee ample time to plan for the provision of space and scheduling of the sale so as not to interfere with the Frolic in the Woods program. It is important that the committee be reasonably sure that such sales will benefit the Fellowship. Other NA licensed vendors may be contacted to enhance merchandising and funding of the Frolic in the Woods.

Program/Done By Committee

Purpose

Provide speakers that promote a clear NA message of recovery. Without a good program the trouble and expense of putting on Frolic in the Woods isn't justified.

Potential Speakers and Program Participants

- 1) The basic qualification for participation on the program of an NA Frolic in the Woods is membership in NA.
- 2) Speakers who base their recovery on powerlessness over addiction, identify themselves as addicts, attend NA meetings to sustain their recovery, and incorporate the Twelve Steps and Twelve Traditions assure an NA message is given at an NA Frolic In The Woods.

No-Shows

One of the main problems in scheduling is the event of no-shows (people who don't call when they can't attend). The recommended procedure for speakers, chairpersons, readers, or anyone else involved in the program is to note somewhere on the program or the registration package that a check-in table will be set up. Include the specific location and times for the check-in table so all program participants can sign in thus assuring the Program Subcommittee that they are willing and able to fulfill their responsibilities. In the event of a no-show the Program Subcommittee should have a pool of members available from which to select replacements.
